Distribution Strategy

This product is intended for distribution via FCA regulated firms that are authorised to distribute contracts for insurance. All brokers will need to have entered into a formal Terms of Business Agreement, (TOBA), with us.

Distributors Obligations

We agree commission rates with each of our distributors and require that they disclose additional fees charged via a Product Value Information Exchange form distributed to each distributor.

All distributors are required to:

- Justify that commissions and fees they charge are fair, and support the intended value of the product.
- Act in the best interests of their clients.

Fair Value Review

This product has been subject to our Product Oversight and Governance, (POG), process and has been reviewed and signed off by our POG panel. This is in light of a review of the following MI:

- Cancellation data
- Claims and complaints data
- Declinature rates
- Loss ratios
- Wordings review (technical and Plain English)
- Breaches of Lloyd’s/FCA benchmarks and tolerances
- Root cause analysis
- Product Value Information Exchange forms returned by distributors

We are satisfied that the product offers fair value to its intended Target Market subject to distributors:

- Not charging additional / undisclosed fees (including the cost of premium finance) that bear no reasonable relationship to the service(s) provided, or the overall cost of the product; and
- Ensuring that where appropriate cover is already provided by the policy, there is no duplication of cover as a result of either add-on products sold, or any policies held separately by the policyholder.
